Diary of events 2017-18

As lead partner in the Sutton Music Hub, Sutton Music Service works with a range of partner organisations to create all kinds of opportunities for children and young people across the London Borough of Sutton to have an excellent, high-quality music education. Supported using public funding from the Department for Education and Arts Council England, we are tasked with delivering the aspirations of the National Plan for Music Education.

Thousands of local children gain their first experience of learning to play a musical instrument through our successful 'First Access' Whole Class Ensemble Tuition (WCET) programme. Many more access high-quality instrumental tuition through our self-employed Approved Instrumental Teacher scheme at local schools and academies and through our Wednesday and Saturday Music Schools. Our ensembles provide opportunities for young musicians to progress through our structure of bands and orchestras. We work with local schools to support and augment music provision, develop a Singing Strategy and offer an extensive and affordable instrument loan service.

Sutton Music Service now exists as part of Sutton Education Services Ltd (SES), a private company jointly owned by the London Borough of Sutton and local schools. SES continues to be the leading provider of education support services to local schools and educational settings. Sutton has a national reputation for excellence in education, and is consistently one of the best performing local authority areas in England. Our approach and aspirations mirrors that of our schools and academies for excellence and achievement for all children and young people, whatever their background

Summer tour for young musicians in Year 9+

Our popular summer tours are always a highlight of the year, aimed at young musicians in Year 9 and above that have reached a Grade 5 ability or higher on their instrument. Following a hugely successful trip to Portugal as part of the Lisbon Music Fest in 2017, our next tour will be to Belgium and Holland. Contact us for more information.

Ensemble opportunities

Our ensembles are bands, orchestras and choirs where children and young people come together to have fun and make music in a safe environment, with the support of expert Sutton Music Service tutors and conductors. Being part of an ensemble, helps young musicians progress on their instrument, boosts confidence and team working skills, creates enduring friendships and can inspire a life-long love of music and performance.

Sutton Music Service provide a range of bands and orchestras for players of string, woodwind, brass and percussion instruments. We also offer choirs for young singers to develop their vocal skills. Weekly rehearsals take place during term time, with a concert at the end of each term which all ensemble members are expected to participate in. There are also regular opportunities to take part in collaborative projects with professional musicians, weekend music courses and an annual European concert tour.

Rehearsals take place on weekday afternoons/evenings during term time at St Andrew's Church, Northey Avenue, Cheam SM2 7HF.
